NEW CEO

In September we welcomed Sasha East to join the team at CCA as the new CEO. Sasha has worked in community development roles for the past twenty years and said. "I am thrilled to have the opportunity to come and work with you all". Sasha is keen to get to know all our friends and supporters especially if you have any skills and talents you would like to share or ideas about how we can improve our services.

WHAT DO YOU THINK?

We would love to hear from you about how we can do more to help local people in Reading. What are the issues impacting on people in your community? Your comments and suggestions are really valuable to us and we will incorporate them into our new strategy that we are developing over the next few weeks. News From our Sites

Our prayers were answered when our delivery van mysteriously overcame a long-term issue and started working again.

Thank you for your continued prayers and support. We have provided services for 401 local residents during July, August and September. We would not be able to do this without your help - so thank you!

Can you help?

There are so many ways that you can help as part of the CCA family.

- Volunteer your special skill and talent
- Spread the word about our work and shops
- Take part in a sponsored event or activity
- Provide us with a regular monthly donation
- Donate good quality furniture and beds
- Tell us how we can help more local people by talking to us about the issues affecting people in your community.
